

Announcing the 2005-2006 Superintendents' Challenge

**Are you up to
the Challenge?**

**Be the model
for change in
California!**

What The Superintendents' Challenge is an award recognizing school districts with outstanding Wellness Policies. The award is sponsored by the Wellness Task Force and the CA Department of Education.

Who All California school districts, county offices of education, and direct-funded charter schools are encouraged to apply.

Award

Each participating district will receive recognition from the CDE and the state Senate. The most exemplary districts will receive a cash award and special recognition.
